### GAIL'S ADDITIONAL NOTES

---

Catherine attended more than one bridal shower where each lady there brought her favorite recipe(s) for the bride, and of course, Catherine had to have a copy of each recipe! Many of them became her and Ralph's favorites. This is a recipe brought to the shower Helen Schumpert.

The Schumperts were our long-term neighbors on Belvedere Drive. They were (and still are) great friends, very good Christians, and were always willing to help if needed. Their children were the same ages as Catherine's children.
