CATHERINE'S NOTES

[A slice or 2 of onions, chopped, and/or a tablespoon of pimientos, chopped, make a nice addition.]

GAIL'S ADDITIONAL NOTES

“Louise” was Louise Brinson Foster, one of my daddy’s two sisters. She and her husband Melvin owned a grocery store in Monticello, MS, which gave her access to an immense number of wonderful recipes. Her Eggplant Casserole is one of many of Aunt Louise’s recipes that we enjoyed repeatedly.
